Dear Rich and Pais,

Our daughter, Alice, had a wonderful 50th birthday celebration. The affair went off without a hitch. The staff was terrific, the food delicious and the ambience perfect.

Thank you so much for your personal attention to the details. While we're sure you've trained the staff to do an excellent job (Carinne was great) your oversight surely helped.

It was an evening we won't soon forget!

With sincere best wishes for continued success,

Becky and Bob
